

Excellent	Very Good	Good	Fair	Poor - The students who
X	X	X		X did not show up as
				promised.

Comments:

First - my sincerest "Thank You" to Zemeke, a most gracious host!

Coming back to the Campus was returning to the Healing Ground - a work in progress.

D.C. population reflects the true colors of America

The sterling leadership of President Shirley - a paradigm to faculty + staff to follow as she works to make "justice roll down like waters" so All Can say, "Surely the Lord is in this place."
